Description: Amazulu War Cry

Job #: 3121

Duration:

Writer: Alexis

Rationale

This War Cry is based on a traditional Zulu War Cry dating back to the famous Anglo Zulu Wars of the 1800's. (Niyabasaba na? Are you afraid of them? Hhayi asibesabi siyabafuna No we aren't, bring them on!) The word, "Usuthu" is also reputed to have been used in war cries to create an *esprit de corps* among the Impi during battles.

Into battle we go...

Are you afraid of them?

No we aren't...

We are Amazulu!

Bring them on!

Usuthu!

We have courage...

We have strength...

Are you afraid of them?

No we aren't...

We are the Warrior!

Bring them on!

Usuthu!
