

“WE ARE THE WORLD” REMIX WHICH IS PLAYED AND SUNG BY THE BAND.

**“There comes a time when we heed a certain call,
When the world of SPAR comes together,
There are people singing,
And it’s time to celebrate,
The greatest feat of all.**

**Hand in hand we worked together,
To reach this wondrous goal,
We are all part of SPAR’s great family,
And the truth, you know,
Passion is all we need.**

**We are the world, we are SPAR people,
We are the ones who make a brighter day,
So let’s keep giving,
That’s a choice we’re living,
We’re building better lives,
And it’s true we’ll make a better day,
Just you and me.**
