Dear Alexis

Just a short note to thank you for the part you played in making the Royal Swazi Sun SPAR Convention such a great success.

I have had really outstanding comments on how well organised and professionally the conference was run.

I believe this was due to excellent "teamwork" and as a big part of the "team" you deserve much of the credit.

I know how many extra hours of work you put in behind the scenes preparing for the Convention and it is really much appreciated.

Once again well done!

Yours sincerely

BRIAN BEAVON
