Good Morning Alexis,

Hope the rest of your weekend was a little less stressed!!! Many thanks for everything that you did for us on Omo - we definitely could not have done it without you. It was a real pleasure to work with such a professional and will not hesitate to work with you and your team again and will most certainly recommend you to anyone who asks.

Alexis, I have Darren's costs in but no-one elses - pse could you chase up for me - it also means that you will be paid that much quicker as well.

Many many thanks once again,

Kind regards

Cheryl
