Dear Alexis,
just to thank you so much for coming to our rescue and for delivering such a professional job in such a short time.
You were such a pleasure to work with!
I have passed your invoice to our accounts department who will deposit directly into your bank account either today or tomorrow.

Many thanks and we look forward to working with you in the future.

Hi Cheryl

Herewith please find launch video invoice as promised. Darren tells me that he has already sent you the source material tapes, but I have also told him that you will require the animated graphics CD that Hayden created for the project. Being in possession of that build should probably save you quite a bit of money if you need to recreate that sort of thing again in the future.

Thank you so much again for utilizing my services, and I would like to say how very nice it was to work with your agency again.

Kindest regards
Alexis
