Dear Alexis

Once again, you have excelled in assisting me in doing a wonderful presentation at our Conference.

Your dedication, creativity, writing skills and way of words - is something I cannot image doing a presentation without.

I promise you, for next year's Convention, I will meet the deadlines!

To thank you for your input - please join us for a dinner on the 3<sup>rd</sup> October 2001, the venue and time will be advised.

Thanks again for all your help.

Kind regards

ROELF VENTER
