Dear Alexis,

Just a short note to thank you for the important part you played in making the SPAR Convention such a great success.

Firstly for all the many long hours and weekends you put into the Marketing Presentation Script – what a monster, but in the end it was an outstanding success. Well done, there were a lot of amused delegates with some of the questions.

Your heartache and tears, along with your patience and calmness in some very difficult times is really appreciated.

Secondly for an outstanding script for the Opening Video, which was very well received.

And finally, for Graham O'Connor's presentation – yet another polished presentation from the Agency.

Alexis, thank you for all your support and encouragement and for all your outstanding efforts, you are an incredibly important part of our Hunt Lascaris Team.

Love,
